Nissan Forklift

Nissan Forklift Training Prince Albert - Nissan prides itself on achieving complete consumer fulfillment when their customer is enjoying one of their many trucks, cars or forklifts. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to offering high value and detail-oriented quality values to their clients. Incorporating a rich heritage combined with strong manufacturing principals, Nissan Forklifts provide many of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing consumer support, the company has four independent production facilities that allow them to continually adapt to their clients continually evolving wishes by offering a range of modern ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, fabrication, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental accountability by using systems and processes that minimize their environmental footprint. These high values remind consumers that Nissan operates under the quality seal that their clients insist upon whilst being an environmentally conscious corporation.

Nissan is quite confident that any of their customer's questions and customer concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned dealers or even going to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
