Genie Forklift

Genie Forklift Training Prince Albert - Genie is a globally established corporation that enjoys the spirit of collaboration with their extensive network of connected consumers. Genie Industries prides itself on the idea of bringing materials and people higher and extending further beyond the products they design. Genie Industries strives to help clientele build their business no matter how large or small the scale of undertaking may be.

The launch of the Genie Hoist in 1996, a pneumatic, versatile materials lift initiated the start of Genie Industries. A series of aerial work platforms and additional material lift trucks followed to satisfy consumer demand. These innovative goods secured global acknowledgment and established modern product design.

Now, Genie Industries is a subsidiary of the Terex Corporation. Among their highest priorities are to fabricate and maintain foremost quality production and uncompromising level of support and service. With clients from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured material forklifts on the jobsite, the company is securely planted in their exceptional customer principles and service. Acknowledging that their consumers are their greatest inspiration, the team at Genie Industries are individually committed to providing expertise and maintaining customer rapport.

The reliable team is persistently dedicated to recognize the most green and cost-effective, environmentally responsible ways to develop the goods the clients would like. The company's -lean production"• practices help limit waste while offering the highest quality product possible in the shortest timeframe at the least expensive cost to the consumer. The team at Genie Industries is proud to serve the industry and this is reflected in every invention they produce. Always inviting client contribution allows them to produce and develop modern new products that are effortless to service and use, provide optimum value-for-cost and meet global standards. Thriving on customer opinion allows Genie Industries to repetitively evolve and meet the consumers' needs.

Genie's service experts are readily available to provide solutions to the queries you may have in order to keep you fully operational. Their vast parts network will swiftly ship components to guarantee their consumers' machines are operating efficiently. Every product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on client success. They assemble and service their goods to boost efficiency and uptime on the job. Offering on-going training opportunities, to marketing support to flexible financing possibilities, Genie Industries gives their customers the resources to get the most out of their investment.
