

Crane Training Schools Prince Albert

Crane Training Schools Prince Albert - Our different programs for Mobile Crane Operation are meant for experienced operators who needs certification or re-certification, and for inexperienced people who are looking for their very first work as a crane operator. Business demand for crane operators who are certified is high throughout the nation. Crane operator positions are high due to their high pay. Crane operators are amongst the highest paid of any operator of heavy machine.

Our Crane Training Schools feature training and instruction for various mobile cranes. Course subject consists of Crane Set-up, Wire Rope, Load Dynamics, Lift Planning, Load Charts, Rigging, and Signaling.

The Crane Training School program is suitable for operators, riggers and supervisors. Course materials include an informative and manual hand-outs. The safety guidebook which is illustrated consists of one hundred to two hundred fifty pages, that depends on the course, of helpful and important material. Course materials consist of load exercises and load charts for the crane with which the trainee is working.

Hands-On Safety Training will take up over half of the course curriculum. The practical training part is the most effective method to developing and improving personal skill levels. Just licensed journeyman crane instructors are selected to teach the courses. Our instructors have numerous years of experience in the industry.

For all the course we provide, we could include optional testing mechanisms to customize your training. A skills test is usually administered for programs that comprise H.O.S.T. Trainees will be tested and graded.

Certification Training Programs: Lattice Boom/Crawler Cranes; Fixed and Swing Cab Mobile Hydraulic Cranes; Rigging / Signalperson Training and Certification; Articulated Boom / Knuckleboom Cranes; In-The Seat Training and Certification & Testing.
